ACKNOWLEDGEMENT

At the onset, we would like to offer our sincere thanks and gratitude to Dr. Utpal Dutta, President, Research Cell, Mrs. Nirmali Medhi, Vice President, Research Cell, Dr. Anuradha Purkayastha, Convenor, Research Cell and all the members of the research cell for initiating such projects and giving us the opportunities to participate in the project.

The teacher led student research project is one of a kind, which introduce the students to the research world. We therefore, are highly indebted to the Research Cell team for giving our students such platform in their undergraduate days, where they can put their theoretical knowledge in the research field.

We would also like to offer our heartiest thanks to all our colleagues for their invaluable help rendered throughout the course of the research work. We are also thankful to the students who helped us in collecting milk from different localities during the period of investigation.

Last, but not least we are thankful to the Research Cell for offering a financial grant for carrying out this research work.
